

100G Coherent Optical Module Manufacturer

Enhance your network with coherent optical transceivers for 100G, 400G, and 800G solutions. Ideal for DWDM systems, data centers, mobile base stations, and enterprise networks.

GIGALIGHT provides 100G, 200G, and 400G pluggable digital coherent optical transceiver modules (DCO) for data center interconnection (DCI), 5G backhaul, metro telecommunication, and other long ...

Nokia's 100G ZR coherent module (QDCO1) provides the capacity and optical reach of coherent optics in flexible, small-sized QSFP28 modules. Supporting 100G capacity, the Nokia QDCO1 modules are ...

NEL, a leading supplier of coherent Digital Signal Processor (DSP) solutions to system and module manufacturers worldwide, provides key components for 100G-and-beyond coherent transceivers, ...

Find top-tier coherent optical modules with 400G and 100G transmission rates, DWDM support, and customizable options. Click to explore verified suppliers and secure the best deals today.

Get the pluggable module performance you need from the manufacturer of choice for all major networking equipment vendors worldwide.

C-LIGHT, a professional manufacturer with over 15 years of experience in the optical communications industry, has built deep technical expertise and production capacity in 100G/400G/800G high-speed ...

100G CFP DCO module of AscentOptics is a digital coherent optical transceiver module designed for 100G Ethernet and OTN OTU4 links reach up to 3000km over SMF.

Coherent Corp. is a global leader in materials, networking, and lasers for the industrial, communications, electronics, and instrumentation markets. The company is headquartered in Saxonburg, ...

Coherent's 100G ZR QSFP28-DCO optical transceiver module offers industry-leading low power consumption of 5W (Typ) in an extremely compact form factor. Coherent's vertical integration ...
