

112-core non-degradable optical fiber cable

Our program meets diverse fiber optic sourcing and fulfillment needs with over 200 SKUs of unique fiber optic cable types from leading manufacturers, including Corning glass options on master reels.

OPGW Stainless Steel Tube Fiber Cable combines high mechanical and electrical capabilities, strong protection to the optical fibers and excellent lightning resistance. The cable is composed of color ...

Belden's extensive line of indoor and outdoor cable products is offered in tight buffer and loose tube designs. Armored, burial, and ruggedized designs are suited to a host of industrial environments.

Easy and fast installation due to its small diameter and light construction. Suitable for pushing, blowing method. Problem-free use in power lines due to its non-metallic construction. In network systems, ...

henol CIT fiber cable products. With a cable designed for compatibility and cutting-edge fiber optic connector designs, LITEflight HD Cables offer a multi-channel fiber cable in the smallest package, ...

Product feature: This cable has improved rodent protection by Corrugated Steel Tape (Full Rodent Protected). Existing out of 1 gel-free Tube with a diameter of 3.3mm with 12 fibers MM OM1.

Our easy-payout boxes for Category 5e and Category 6 cables were designed with direct input and feedback from users. Our boxes feature dual reinforced handles and have proven to be as durable ...

Leviton fiber optic cable is easy to install, provides for greater pulling distances, and supports faster termination, reducing installation time and minimizing costs.

OS1 single mode fiber optic cables are made with a single mode fiber core, which means that they have a very small core diameter of 9 microns. This allows the cables to transmit data over much longer ...

A color-indexing identification solution that delivers instant visual clarity for hyper-dense fiber connectivity. Built on the TIA-598 standard color scheme, each component is color-coded, from the ...

View Eland Cables" range of singlemode and multimode fibre optic cables - loose tube and tight buffered. Technical support, fast quote, international logistics and fast delivery.

feature a sub-unit design that simplifies fiber identification, provides eas access and routing of the fibers. It also increases cable durability with a dielectric central strength member. Opti-Core®; Fiber Optic ...
