

48-core ribbon fiber optic cable splitter

The Optical Splice Closure is an essential component for fiber optic networks, offering exceptional performance, durability, and adaptability. Its IP68-rated protection, efficient fiber management, and ...

DA-FOSC-IM48-H012-1 is a specific model of In-line Type Fiber Optic Splice Closure that can accommodate up to 48 fiber optic cables. The "IM" in the model name stands for "in-line type", and ...

Fiber breakout kit, rectangular (43) Fiber breakout kit, round (17) Fiber breakout kit, square (10) Unit splitter kit (1)

Opticonx UBR Series Breakout Kits are designed to provide a direct termination solution for high fiber count ribbon unitube cables and MTP/MPO terminations. Opticonx UBR Series Breakout Kits can ...

The ribbon splitting tool is designed to allow separation of 12 -, 24 -, and 36 - fiber ribbons into smaller ribbons. Multiple slots on the tool offer the ability to separate the original ribbon into two different ...

High Density MPO ribbon cable with low loss and plug-and-play installation--ideal for 40G/100G data center and telecom backbone networks.

With good sealing performance, the simple installation and wide application range are the best choices for optical fiber connection. Fiber optic splice dome closures and the splice trays inside provide ...

The Corning RST-000 High-Precision Ribbon Splitting Tool is designed to separate 4-, 6-, 8-, 12-, 24- and 36-fiber ribbons in mid-span or at the cable end, without damaging other fibers.

The ribbon splitting tool is designed to allow separation of 12 -, 24 -, and 36 - fiber ...

The FTTH 48 Core Fiber Access Terminal Box is a new-gen product for FTTH. Light and compact, it's ideal for connecting and protecting FTTH fiber cables. The FDB-48 Series 48-port Fiber Distribution ...

Supports ribbon-type optical cables and common optical cables, making it versatile for various fiber optic setups. The booklet-style splice trays provide adequate curvature radius (40mm) and ample space ...

48-core ribbon fiber optic cable splitter
