

780nm Optical Power Meter

The Tempo 567XL Power Meter with Silicon Diode measures optical power at 635 ...

N7743C Optical high-power power meter with 2 / 4 ports, analog outputs for linear or logarithmic feedback, and option to extend the wavelength range down to 800 nm. Find out what's included and ...

Support linear or nonlinear optical power display and used to short-wavelength optical power measurements. The instrument has a small size, lightweight, portable and low power consumption, ...

Optical power meters. Our optical power meters deliver reliable measurements from -60 to +10 dBm across 750-1700 nm, supporting a broad range of optical testing applications and high-channel ...

Mainly used to measure optical power level (dBm) in premises, telco, or CATV fiber optic networks, they also can be combined with LED (OLS-34/OLS-36) or laser light sources (OLS-35/OLS-36) insertion ...

The JDSU OLP-55 (BN 2277/01) is a general-purpose SMART optical power meter covering 780-1650 nm. Units are in working condition; screens show minor marks which do not affect visibility or ...

Find many great new & used options and get the best deals for JDSU Olp-55 Optical Power Meter 780nm to 1650nm 20 DBM at the best online prices at eBay! Free shipping for many products!

nm 8230 Optical Power Meter Perfect for use in R& D and production lines of next-generation optical discs and for evaluation of blue-violet and high-power lasers

The Tempo 567XL Power Meter with Silicon Diode measures optical power at 635 nm, 780 nm, and 850 nm and can store reference power levels. The snap-on connector (SOC) interface is available for all ...

Benchtop optical power meters provide accurate measurements of optical power and energy by reading the output of calibrated optical sensors. Our benchtop optical power and energy meters are plug and ...

The 8230 is an optical power meter optimal for building up automated production lines of Blu-ray Disc, DVD, CD and other optical pickups. It is equipped with USB interface as standard, which allows easy ...
