

Cable trays and combustible gas pipelines

Discover our range of products in Oil & Gas Industry Solutions: Busbar Trunking, Cable Tray, Cable Ladder and Support Systems

We recently merged with Ocean-1, a market leader in the supply of ABS approved cable tray systems and related support products to the Marine, Offshore, Onshore, Rig, Shipbuilding and Oil & Gas ...

Our Fiberglass tray weighs 1/3 that of steel trays and is pound for pound stronger. This makes the tray easy to install, reduces the possibility of lifting accidents, and lowers transportation costs. MP Husky ...

Explore cable management systems that offer maximum protection and durability in caustic, wet conditions like oil platforms and petrochemical processing plants.

Selecting the right cable tray system for oil and gas facilities is not just about choosing a product -- it's about choosing a manufacturer that understands industrial risks, compliance ...

These infrastructures can be fixed to the ocean floor as an artificial island with or without connection. For the exploration of crude oil and natural gas using offshore platforms, many companies in the sector ...

Learn about the importance of cable trays and pipes safety distances in ensuring system reliability. Explore standards, ...

TechLine Manufacturing provides engineered cable tray systems and electrical/instrumentation supports for the full spectrum of oil & gas infrastructure -- from offshore platforms and coastal processing ...

Learn about the importance of cable trays and pipes safety distances in ensuring system reliability. Explore standards, factors, and measures to prevent accidents and optimize performance.

Get to know how to select strong cable tray systems in oil and gas plants. Pay attention to the 316L stainless steel, safety compliance, and corrosion resistance to avoid the loss of time.

Fire-resistant cable tray and conduit assemblies are designed to withstand extreme temperatures, preventing the spread of fire and ensuring the continued operation of critical equipment.
