

# Dongya Flexible Integrated Power Supply Brand

Dongya specialized in designing and manufacturing a great variety DC contactors ranging from 50A to 3000A,60V to 110V for your diverse industrial application, widely used in electric control system of ...

Dongya is a leading manufacturer of DC contactors with a factory covering an area of 10,000 square meters with more than 10 production lines equipped with the latest machines.

Our company is specialized in manufacturing, developing and selling all kinds DC contactors, relays, shunts, hydraulic breakers and mini middle power electromagnetism products. We have set up three ...

Regarding the research and development of DONGYA, the company is composed of experienced engineers and testers, and currently has a research and development team for high and low voltage ...

Driven by a relentless pursuit of quality and technological excellence, the DYS brand has become synonymous with trusted power innovation, serving enterprises worldwide with tailored energy ...

Founded in 1984, Zhejiang Dongya Electronic Co., Ltd specialize in designing, manufacturing and selling high and low-voltage DC contactors, relays, shunts, hydraulic circuit breakers, BDUs and other ...

Each product has been carefully selected and designed to ensure steady performance and ease of use, addressing the frustrations many face with unreliable power sources.

Our company is specialized in manufacturing, developing and selling all kinds DC contactors, relays, shunts, hydraulic breakers and mini middle power electromagnetism products.

Started in 1984, the preferred brand of DC contactors DONGYA Electronic provides you with excellent High & Low Voltage DC Contactor, Shunt and Hydraulic Circuit Breaker, safeguard your equipment.

Dongan manufactures any Dry Type transformers and inductors you need. Whether it's a stock product or a custom-engineered solution, we design quality transformers that meet the needs of companies ...
