

Frosted Core Switch

Freshly Frosted is a puzzle game available on all current game consoles and PC, but reviewed on Switch here. I love how the areas are represented by donut boxes, and each of the ...

Freshly Frosted feels like how mobile games should be, offering little puzzles with reliable rules that you can pop out on a whim when you have free time (making Switch the best place to get it!)

The first internally developed game from The Quantum Astrophysicists Guild since the fantastic Tumblestone in 2016 was worth the wait because Freshly Frosted is incredible.

Put simply, Freshly Frosted is perfectly formed. From fantastic theming to brain melting puzzles in the late game to being easy to pick up but tricky to put down - this is a gem.

Freshly Frosted is available now on Nintendo Switch. Solve puzzles in the world's most adorable donut factory!

Freshly Frosted caters to puzzle fans looking for a relaxing yet challenging experience. The difficulty curve is rewarding, even if it starts off a bit too slowly, and the challenges are moreish, ...
