

Guangdong Light Industry Fiber Optic Communication

Winners Communication is a China-based fiber optic manufacturer since 1993, specializing in telecom, medical, laser & lighting fibers. ISO 9001 certified, OEM service, fast delivery.

GLSUN makes DFB LD chips & photodiode chips, high quality optical switches, mems variable optical attenuators, optical isolators, cwdm, dwdm, optical splitters, optical line protection and fiber ...

Hengtong Group is an international enterprise with a diverse range of expertise covering optical fibre, power, marine and offshore cable, EPC turnkey service and maintenance, as well as IoT, big data ...

A custom fiber optic cable supplier and FTTH solutions manufacturer with 20 years of production experience in China. Our business encompasses the R& D, production, and sales of optical cables ...

Key 2025 trends: 400G WDM, 5G transport, PON evolution & optical modules. Explore HTF's role in next-gen fiber optic innovation.

Please feel free to contact us today to discuss your fiber optic requirements and learn how OMC fiber optic cable manufacturers can help you build robust and efficient data networks at competitive pricing.

Leading manufacturer of high-performance fiber optic connection products, providing reliable interconnection solutions for data centers, telecom, and high-speed optical networks.

Upholding innovation while keeping stable, GZLI has evolved from driving light industrial exports to providing all-in-one supply chain services that support industrial upgrading in the Greater Bay Area.

More than ten years of experience in optical cable production and OEM, cooperation in 100 + government communication projects (more than 5 million US dollars / each) with fast delivery, price ...
