

# Huijue 48-core indoor optical cable

Product Description Indoor Single Mode 48 Core Distribution Optical Fiber Cable We are 20 years fiber optic cable manufacturer. Welcome to go to the factory tour! Send message to us can get free samples.

Mouser offers inventory, pricing, & datasheets for 48 Fiber Fiber Optic Cables.

Company Introduction:Established in 2001, Shanghai Huijue Network Communication Equipment Co., Ltd (HJ Network for short) is the leading manufacturer and solution provider for telecom and ...

Our high-quality fiber optic cabling solutions ensure seamless data transmission.

Distribution Cables are designed for general indoor use. Available in all fiber types, a thick durable jacket offers excellent strength and protection during installations and restorations.

As a premium indoor armored fiber optic cable, it delivers consistent performance in data-intensive scenarios, making it indispensable for ODF-integrated networks and high-traffic telecom setups.

The optical fiber elements are typically individually coated with layers and contained in a protective tube suitable for the environment where the cable will be deployed.

Covering specifications from 8-core to 48-core, the products are made of multiple materials such as SMC, metal, and plastic. Suitable for the construction of optical fiber access networks, they provide ...

The structure of GJBFJV (GJBFJH) optical cable is to directly cover a single mode or multimode optical fiber with a high bonding strength tight sleeve material to make a tight sleeve optical fiber.
