

Huijue Optical Cable Steel Wire

Ideal for 5G networks, data centers, and long-distance communications, our steel wire enhances the durability and stability of optical cables, safeguarding the transmission of massive data streams.

Established in 2001, Shanghai Huijue Network Communication Equipment Co., Ltd (HJ Network for short) is the leading manufacturer and solution provider for telecom and communication products.

Continuous research and development, participation in industry standards, and understanding of market trends and key influencing factors have enabled Huijue to be at the forefront of optical connection ...

Our galvanized steel wire for Optical Fiber cable is a high-quality and reliable solution for enhancing the strength and durability of optical fiber cables.

Between the PSP and the loose tube water-blocking material is applied to keep the cable compact and watertight. Two parallel steel wires are placed at the two sides of the steel tape.

Armored Uni-Tube Single Sheath/Single Armor fiber optic cable with fibers placed in loose buffer tube. The cable core is protected with a corrugated steel tape armor ...

We are leading supplier of Fiber Optical Cable, Patch Cord, enjoy best price and best buy at Huizhou Owire Optical Electronic Technology Co., Ltd.

Covering specifications from 8-core to 48-core, the products are made of multiple materials such as SMC, metal, and plastic. Suitable for the construction of optical fiber access networks, they provide ...

Outdoor Fiber Optic Cable Number of Conductors 2 Fiber Type G657A1 Model Number G657A Brand Name Huijue Place of Origin Jiangsu, China Product Type Outdoor Fiber Optic Cable Number of ...

Armored Uni-Tube Single Sheath/Single Armor fiber optic cable with fibers placed in loose buffer tube. The cable core is protected with a corrugated steel tape armor and cover with a black polyethylene ...

EIS Wire & Cable, founded in 1910 and located in South Hadley, MA, manufactures a variety of standard and custom cables, including braided, coaxial, composite, flat, and multiconductor ...
