Fiberone Broadband based in Lagos, Nigeria established in 2016: Contact Details, ...

A. FTTx stands for Fiber-To-The-x, where X represents homes, offices, business centres. However, this would now be referred to as MTN FibreX.

Our Fiber Optic technology is guaranteed for browsing or surfing the internet. We have consistently stood out as the provider that offers internet service in cities in Nigeria.

With one of the largest fiber networks in the country, currently present in over 42 estates and MTBs residents connected to Airtel via our fiber, enjoy world class data services straight to their homes.
