

Rwanda Liquid-Cooled Switch 400G

The SSE-T8196 series presents a diverse range of port speeds and densities, supporting 50G, 100G, 200G, 400G, and 800G, facilitating consistent network architectures that seamlessly scale from ...

The Twin-port transceiver is a key innovation for expanding the 400G NDR InfiniBand Quantum-2 and 400GbE Spectrum-4 Ethernet (400G IB/EN) switch capabilities. The line rate is ...

Liquid-cooled switches only accept twin-port, flat-top, OSFP devices. HCAs and DPUs only use flat-top OSFP or QSFP112 devices. Switch-side, twin-port DACs, ACCs, and optics connect to 400Gb/s NDR ...

Its design eliminates fans, cooling both chips and 400G pluggable modules (housed in 24 front-panel cages). The liquid cooling system ensures efficient heat extraction from high-power ...

The NDR family of edge switches comprises switches with 64 NDR ports on 32 physical OSFP ports, which can be split to deliver up to 128 NDR200 ports. The offering of compact 1U switches includes ...

The NVIDIA Quantum-2-based MQM9790-NS2F switch comes with 64 400Gb/s ...

The NVIDIA Quantum-2-based MQM9790-NS2F switch comes with 64 400Gb/s ports on 32 physical octal small form-factor pluggable (OSFP) connectors that can be split to deliver up to 128 200Gb/s ...

The switch itself is made for HPE's liquid-cooled supercomputing platforms. As such, and as something different from other 51.2T switches, it is completely liquid cooled designed to not use fans.

Leveraging 400G high-speed ports and non-blocking switching technology, it ensures high-bandwidth and low-latency transmission, adapting to high-load services. It is paired with mature optical module ...

Today's rack switches are rapidly approaching their thermal limits with the jump to 400G, 800G, and beyond. The consequences can be bottlenecks, throttling, and increased operating costs. ...

Next-generation high-performance single chassis core switches, featuring with a various types of ports from 40G to 400G, catering to diversified data center network scenarios and enabling smooth ...

Rwanda Liquid-Cooled Switch 400G
