Two meters of Fiberglass Protector Tube

Braided E-glass fiber yarn, heat treated and coated with acrylic saturant for superior high temperature resistance. Suitable for continuous use at 538°C and ...

Braided E-glass fiber yarn, heat treated and coated with acrylic saturant for superior high temperature resistance. Suitable for continuous use at 538°C and intermittent use up to 650°C. Offers superior ...

The thick, high temperature fiberglass sleeve is jacketed with a non-permeable, heavy silicone coating that is flexible enough to follow tight radius curves, resists all automotive chemicals and solvents, and ...

Discover durable solutions for protecting wires with versatile fiberglass cable protection tubes. Enhance safety and efficiency while ensuring long-lasting performance. Ideal for professionals seeking ...

RPI SHOP 16 Meters Fiberglass Insulation Sleeves, Wire sleeve, sleeve for good wire protection, 8 Different Size (1mm, 2mm, 3mm, 4mm, 5mm, 6mm, 8mm, 10mm) Each 2 Meter Expandable Heat ...

Product Summary: 1PC Silicone Fiberglass Tube Coated Glass Fiber Braided Cable Sleeve Protector Case High Temperature (Red,12mm,2 Meters) From LIDongF

With its properties of high temperature resistance and insulation protection, our Fiberglass Sleeving is widely used in motors, transformers, household appliances, special lamps, electric heating ...

Choose from our selection of fiberglass tubing, including over 55,500 products in a wide range of styles and sizes. Same and Next Day Delivery.

This heat sleeve fiberglass are for high temperature applications, ...

High temperature braided sleeving is designed to protect your hoses and cables from extreme temperature exposure. Eliminate catastrophic failures.

This heat sleeve fiberglass are for high temperature applications, also, it keeps wire neat and organized. The heat shield tubing is mainly applied to insulate and heat equipment, such as motor, engine, plug ...

It provides excellent protection for industrial wires, cables, hydraulic hoses, tube and pipes and also provides thermal insulation and personnel protection. An acrylic saturant has been added to aid in ...
