

UK Industrial Switch 10G

With its 28 ports (4x 10GBase-X SFP+ slots, 24x 10/100/1000Base-T PoE+ ports according to IEEE 802.3at) this switch is suitable for cabling larger units in industrial environments as well as for in ...

Omnitron Systems' 6 and 10-port industrial managed 10G Ethernet switches offer high-performance and reliable network solutions for industrial applications, ensuring seamless connectivity and robust ...

Explore refurbished 10GbE switches from Dell, HP, Cisco, Arista and Juniper at Bargain Hardware. These enterprise-grade networking devices deliver 10 gigabits per second throughput for data ...

Looking to upgrade your small-business LAN to 10GbE? With the enormous growth of network traffic and network storage in recent years, 10GbE is becoming a natural upgrade for many businesses in ...

Ideal for workgroup aggregation, server and storage connectivity or high bandwidth applications, the XS708Ev2 delivers up to 10 times the throughput of traditional GbE copper switches. As a step up ...

The DIS-310G-24X is an industrial managed switch featuring sixteen 1GE ports, four 1G SFP ports, and four 10G SFP+ uplinks for high-performance aggregation and network backbone connectivity.

Our rugged 10G switches provide reliable performance for critical industrial networks. Equipped with advanced features like VLAN, QoS, link aggregation, and redundancy, these ruggedized 10G ...

Discover our range of industrial 10G switches for high-speed network solutions. Our 10G industrial Ethernet switches ensure robust performance and reliability in demanding environments.

Temperature hardened rackmount switches with 10Gbps uplinks. Ideal for harsh comms environments that require high speed connectivity.

FS provides 10G Industrial Switches (Free & Fast Delivery, Expert Tech Support, Outstanding Warranties).
